

Practical case: Debouncing & Counter on iCE40UP5K FPGA

Practical case: Debouncing & Counter on iCE40UP5K FPGA

Learn to create a debounced button and counter on Pico-ICE using Raspberry Pi OS Bookworm. Step-by-step guide for reliable button interaction.

Practical case: LED Chaser on Raspberry Pi or Pico-ICE iCE40

Practical case: LED Chaser on Raspberry Pi or Pico-ICE iCE40

Learn to build a LED chaser on the Pico-ICE (Lattice iCE40UP5K) using RP2040. Step-by-step guide for setup, coding, and validation.
