

Practical case: Open door alarm

Master Digital Electronics by building a security circuit with a NOT gate. Learn to trigger an LED warning signal instantly when a switch contact opens.

Practical case: Safety control with inverse logic

Safety control with inverse logic

Master Digital Electronics by building an emergency stop circuit. Use a NOT gate to invert sensor signals and instantly halt a motor when a limit is reached.

Practical case: Signal inverter with indicator LED

Signal inverter with indicator LED

Master Digital Electronics by building a safety interlock circuit with a NOT gate. Learn to invert logic signals and control LED indicators for real-world...
